REASONS FOR ALLOWANCE

Claims 1-16 are allowed. The following is an examiner's statement of reasons for allowance: regarding claim 1, the prior art does not suggest the device as claimed, including the combination of all the claimed elements, the combination including a stabilizing piece being formed in a perpendicular direction from the base portion, and fitting into a notched portion formed in the edge portion of the other end of the printed circuit board when the printed circuit board is fixed. Regarding claims 11, the prior art does not suggest the device as claimed, including the combination of all the claimed elements, the combination including a stabilizing piece protruding from a mounting piece joined to a base portion whereupon the printed circuit board is placed, that is inserted into a hole provided on the printed circuit board when the printed circuit board is fixed. Regarding claim 14, the prior art does not suggest the device as claimed, including the combination of all the claimed elements, the combination including a stabilizing piece protruding from the portion joined to the back portion that is inserted into a hole provided on a printed circuit board when the said printed circuit board is fixed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
